

ACS MediHealth MEDITECH Collaborator

ACS MediHealth, mobility collaborator with MEDITECH

Empowering caregivers to improve lives, one patient at a time, around the world.

A committed relationship that offers a unique understanding of the MEDITECH community, enabling us to offer tailored, effective products and services for these environments.

ACS MediHealth works with many manufacturers directly to achieve our MEDITECH GPO pricing, these savings are passed directly to the end-client. This allows ACS MediHealth to meet specific budget needs as you move through your implementation or budgeting requirements. ACS MediHealth's Area Sales Managers will be happy to assist in the following areas:

Professional Services that include:

- A full line of evaluation products
- MEDITECH-supported (and/or certified) devices
- Assistance with product integration and implementation
- A mobility training program
- Cart fleet, mobility workflow, and wireless assessment services
- Group Purchasing Organization (GPO) for MEDITECH Clientele only
